Sir,

Subject Free grant of a site for the construction of an Adikarnataka Hostel at Shimoga

In enclosing herein letter No E 1249/35 dated the 19th instant on the above subject received from the President, Town Municipal Council, Shimoga, I have the honour to state that the President of the Local Branch of the Mysore State Harijan Sevak Sangha, Bangalore having requested for the free grant of a site for constructing an Adikarnataka Hostel at Shimoga, the subject was considered by the Mun cipal Council at its meeting held on the 29th February 1936 and it was resolved that the site seledted by the Sangha might be granted free It is ascertained that the Sangha is a branch of the Mysore State Harijan Sevak Sangha, which is a registered body that the Sangha is in possession of Rs ~,000/- and that it has secured promises of further donations from the public and a grant from the Director of Public Instruction, that the total cost of the building is estimated at Rs 8,000/- and that it is proposed to commence the construction of the building immediately with the available funds and complete it so that the Hostel which is now located in rented building may be shifted to its own building It is also stated that an Industrial Workshop will be started and maintained as an adjunct Mr Ramachendra, Working Secretary of the Sangha saw me today and said that the block of buildings would be taken

and

and completed early in stages

The site selected by the Sangha and resolved to be granted free by the Municipal Council vide accompanying sketch measures 200' x 250' and is situated at the junction of the Bangalore-Honnavar Road with the new Thirthahalli Road It abuts on the new Thirthahalli road on one side and the Shettihalli forest road on another side A corner of the site also touches the bed of an abandened and breached tank which is silted up and no water stays in it

From the mahazar enclosed in the records, it is seen that there is no objection to the grant of the site and that its market value is estimated at two annas per square yard Since the undertaking is one concerning the uplift of the Depressed Classes, the prayer of the Sangha deserves favourable consideration and sanction of Government may be accorded to the free grant of the site as resolved by the Municipal Council, excluding the portion of the bed of the abandoned tank which does not seem to be Municipal land and allowing a 50 feet margin from the new Thirthahalli Road and Settihalli Road

As the Sangha is desirous of having the foundation stone of the Hostel building laid by the Dewan when he visits Shimoga in the first week of next month in connection with the Switching on of Electric Lights of the town, the favour of early orders is requested

The D.C. recommends the grant of the site, subject to the exclusion of the portion of the abandoned tank (which does

Development Secretary to Government of Mysore,
BANGALORE.

Dear Sir,

I am writing this letter to you from Shimoga where I came this morning to see the Adi-Karnataka Hostel, which our Sangha has been conducting here for the last three years, and also to arrange for laying the foundation stone of the Hostel building by the Dewan-in-charge when he comes here early next month, on the site granted to the Sangha by the Shimoga Municipal Council.

I saw the Deputy Commissioner this morning and he told me that he is sending the papers to you to-day recommending the grant of the site to the Sangha. I request you to kindly secure the early sanction of Government and communicate the same to the Deputy Commissioner, so that we can have the foundation stone laid out by the Dewan-in-charge.

Thanking you,

I remain,
Ever yours in service,
Ramachandra
Secretary.
